

A Touchstone Energy® Cooperative 

## Weatherization Program Rebate Form

### Completion Checklist

- Information on front and back is complete and accurate.
- Copy of receipts have been attached.
- Form has been signed.

### the fine print...

**Submit completed form and copy of receipts to:  
Douglas Electric Cooperative 1981 NE Stephens Roseburg, OR 97470.**

This program applies to measures purchased and installed in Douglas Electric Cooperative service territory after October 1, 2011. Any application containing incomplete information will be returned for completion. All rebate amounts will be credited to the member's account. Allow up to 2 billing cycles for it to show up on your account. Rebate amounts and measures are subject to change.

### Member Information

Name \_\_\_\_\_ Account # \_\_\_\_\_

*Please print name.*

Mailing Address \_\_\_\_\_ City \_\_\_\_\_

Installed Address \_\_\_\_\_ City \_\_\_\_\_

Phone \_\_\_\_\_(h) \_\_\_\_\_(w) Date \_\_\_\_\_

I certify that all measures have been installed in the Douglas Electric Cooperative service territory. The appropriate documentation has been included and I will allow a utility representative to verify its installation as needed.

**Cost of Total Project \_\_\_\_\_ X 25% = Rebate Amount \_\_\_\_\_ (Max \$350)**

***This application will not be processed without proper U-Value window documentation. Primary heat source must be electric. These programs are designed to save electricity. The ODOE has programs for people heating with oil or wood.***

**Financing**

For weatherization and/or heat pump financing, consumer must also complete the above detailed information to be eligible for the special "buy-down" rate. Members may take advantage of either rebate or financing options, not both.
